## Paul Subbiani

*Our wedding at The Albright Hussey was simply stunning! The staff were phenomenal and made our day one we will always remember. They couldn't do enough for us. The attention to detail was second to none to the food, fireworks and fabulous rooms.*

*25th November 2017 Mr & Mrs Doubleday*

*We had a fantastic wedding. Mel & the team were amazing. From day one when we looked around the Hussey, we knew instantly this was the place for our dream day. The room was beautifully dressed and the team truly could not do enough for us. We had such an amazing day.*

*7th April 2018 Laura & Daniel Griffiths*

Please see the Wedding Co-ordinator for upgrade costs.

This is my favourite dish from the region of Abruzzi in Italy (Paul Subbiani),  
They are long, thin, and mouth-watering skewers of lamb that are famous in this part of  
Italy. They are cooked over a specially made barbecue called a Fornacella, which ensures  
that the meat cooks over smoking-hot charcoal but the skewers don't burn. This makes  
for great evening food and something your guests will never have experienced before,  
thus making it a night to remember.

The Arrosticini are served with dressed salad leaves  
and buffalo tomatoes with basil,  
garlic bread and Italian bread. Each guest will eat on average 6-8  
Arrosticini.

# *Civil Ceremonies at The Manor*

We have three licenced areas for your civil ceremony

On the front lawn in The Garden Room, The Imperial Suite or The Moat Room

Please note it is the responsibility of the Bride and Groom to contact and book the ceremony with the local registrar

Contact details : 0345 6789016

## *The Civil Ceremony Format*

In 2006 we were the first venue in Shropshire to be awarded the licence for the outside ceremonies so we have a huge amount of experience. When a client books the ceremony to take place outside, we will always set the ceremony up inside in case of inclement weather. This means that you can make the decision whether the ceremony takes place outside or inside about 10 minutes prior to the start of the ceremony. This results in a very high success rate of the ceremony taking place outside. Before the ceremony you will have to meet with the registrars separately to run through the ceremony and to check personal details. Your wedding coordinator will coordinate this for you. The Groom usually goes first 30 minutes before the ceremony, and the Bride 15 minutes before the ceremony. Your co-ordinator will ensure that the guests are correctly seated, and you and your bridal party are organised and ready to walk up the aisle along with the coordinating music for the ceremony.

## *The Garden Room on the front lawn*

For spring to autumn wedding ceremonies, the Garden Room offers the idyllic location to tie the knot. It is located on the lower front lawns in front of the moat and with the back drop of the 16th Century manor. It is equipped with a Bose sound system to play your chosen music and a PA system so your guests can hear the registrar and your vows to each other.

The Garden Room is now well established into our gardens but can be enhanced with cream drapes if hired.

## *The Imperial Suite*

The Imperial Suite is the perfect room to have your indoor ceremony as “Plan B” in the warmer months or as “Plan A” in the winter months. For autumn and winter weddings it can be decorated with trees, arches, candles and many other accessories to add to the wow factor. Please see your wedding co-ordinator for more information. It is also fully equipped with an indoor sound system and air conditioning

## *The Moat Room*

The Moat Room is ideal for intimate ceremonies up to 40 seated or 60 (some standing) It is located in the Old Manor and boasts high beamed ceilings with oak panelled walls and a grand fireplace.

Please inform the wedding co-ordinator if you would like to have your civil ceremony here, so we can include it in your package price.

## *The Terrace Bar*

Another unique feature at The Manor is our Outside Bar located on the south facing front terrace. The feature puts a smile on your guests faces as soon as they arrive. It means that on arrival, guests can enjoy the gardens and views of the Shropshire countryside and have a drink at the same time. This means that your guests are kept together as they do not have to collect drinks from the inside bar.

## *The Imperial Chill Out Gardens*

Offering a first for Shropshire, Wood Fired Stone Baked Pizza Oven & BBQ in our new Alfresco kitchen. The Imperial Gardens offers you and your guests a chill out area, where after your wedding breakfast you and your guests are able to relax whilst watching the sun set over the adjacent countryside. You can enjoy the evening in our gardens with the atmosphere of the evening reception and the theatre of our chefs cooking from our alfresco kitchen. The garden is decorated with fairy lights and mood LED floor lights.

# Wedding Entertainment

The Albright Hussey Manor is able to organise an excellent selection of music and entertainment

We will be happy to arrange any of the following

## DJ

We have the latest sound equipment and laser lights with room uplighters, We have designed the sound system to focus the volume on to the dance floor and not to be too loud for guests sitting in the room.

The result creates a great atmosphere as your guests can socialise and dance in the same room.

As the equipment is all here it means that the set up time is very quick.

## *Herbie For Hire*

Herbie is a 1960 VW Beetle original in every way to the movie legend.

“The love bug”

“Golden Time”

Herbie makes a wonderful wedding accessory to any wedding, whether you are a fan or not. Your wedding day will be an amazing experience but as the Bride and Groom, you will have very little time or opportunity to take time together.

“Your Golden Time” This is where Herbie can help. You can hire him to be on display in the courtyard from the moment you arrive and then after the ceremony. You can have photos with Herbie and your guests and then go for a short drive. The break from the maddening crowd has proved to be a very special moment to couples and gives you time to catch up on events and some intimate time away from the cameras.

To have Herbie on display and a short drive is just £100.00

Herbie is available to collect or deliver from home or church to the venue.
